

**Receptivity. The New Directive in Leadership:
The Connected and Committed Woman Leader Program**

Objective:	To understand women’s natural assets and liabilities as leaders and to cause participants to self reflect on their current level of commitment and connection as leaders at home and at work. To empower and motivate women leaders to better integrate their creativity and full selves for more effective results at home and at work.
Target:	This program is relevant for women’s leadership groups, mom entrepreneurs, individual contributors, middle managers and senior executives. Program can be adjusted depending upon the audience’s level of experience.
Areas Addressed:	<ul style="list-style-type: none"> • Defining leadership for the 21st century and why it’s moving towards a more feminine model. • Understanding the nature of the Seven Essential Leadership Insights. • Redefining leadership with receptivity at its core. • How creativity can unleash our brilliance and do the same for others. • Becoming a leader and giving permission to others to do the same. • Understanding how leadership is up front and intimate. • Why great leadership brings out the best people have to offer, including our families.
Applicable Learning	<p>Participants will walk away with some learning about themselves and how to apply it.</p> <ul style="list-style-type: none"> • How do I leverage my assets and limit my liabilities as a leader? • How to be an effective role model and mentor for other women. • How to take personal accountability for my leadership development
